

Biscovey Nursery & Infants' Academy

Head of School: Miss K Bullock

Tuesday 14th November

Dear Parents/Carers,

This year's cinema trip will be on Monday 18th December. I am delighted to let you know that this year the school will be paying for the Christmas Cinema trip. I have taken onboard comments around the cost of things around the festive time, and I hope that this will help in some way.

As there will be no parent pay to act as a consent, please can you click on the following link and fill in the form to give your consent for your child to go to the cinema. If you can help for this trip, please put this on the form.

[CLICK HERE FOR LINK TO FORM](#)

Some of the other ways we have tried to support the cost of things this year are:

- Reindeers on the run for Cornwall Hospice Care is a reduced cost from last year. If you do not wish to pay for the antlers, your child will still join in with the fun run. Letters are in bookbags for Reindeers on the run today.
- We are not charging for the nativity performances.
- Year group discos will be £2 per child this year, which is reduced for last year.
- Any donations for the Christmas Fayre are in return for a non-uniform day. This is a great chance to sort through some bits that you may longer want and donate to the fayre.

Thank you for your continued support.

Kind Regards,

Miss K Bullock
