| | | | | Once upon a time | Ready, Steady Grow | All Creatures Great and Small | Once Upon a Time | Ready, Steady Grow | All creatures great and small | Bright Lights, Big City | You're Bananas! | From pit to port |
| Art overview | Pupils should be taught to: Explore colour and colour mixing. Create closed shapes with continuous lines and begin to use these marks to represent objects. Draw with increasing complexity and detail e.g. representing a face with a circle and including details. | | | Pupils should be taught to: Explore, use and refine a variety of artistic effects to express their ideas and feelings. Create collaboratively sharing ideas, resources and skills. Return to and build on their previous learning, refining ideas and developing their ability to represent them. Safely use and explore a variety of materials, tools and techniques, experimenting with colour, design, texture, form and function. Share their creations, explaining the process they have used. | | | Pupils should be taught to: Use a range of materials creatively to design and make products Use drawing, painting and sculpture to develop and share their ideas, experiences and imagination Develop a wide range of art and design techniques in using colour, pattern, texture, line, shape, form and space Learn about the work of a range of artists, craft makes and designers, describing the differences and similarities between different practices and disciplines and making links to their own work | | | | nilarities between | |
| Learning | Autumn 1: Song and Rhyme Outcome: Self portraits Children to create self-portraits. Use a range of media to create their portraits. Children to look in the mirror and think about their features. Use different media to create self-portraits. Autumn 2: Song and Rhyme Outcome: paintings and crafts related to nursery rhymes and Christmas. Children to develop their own ideas and then decide which materials to use to express them. Children to make and paint their own Christmas decorations. | Spring 1: DT LINK Spring 2: Once Upon a Time Outcome: Making party hats for teddy bear's picnic. Children to explore colour and colour mixing. Children to create closed shapes with continuous lines and begin to use these marks to represent objects. Children to use drawing to represent ideas like movement and loud noises. | Summer 1: Amazing Animals Outcome: symmetry butterflies and caterpillar bodies. Children will begin to draw with increasing complexity and detail e.g. representing a face with a circle and including details. Children will begin to explore creating with a variety of colours. Summer 2: DT Link | Autumn 1: Marvellous Me Famous Artist: Arcimboldo Outcome: Self Portraits Children to learn how to see themselves as an artist Children to use different media to create their self- portraits e.g. fruit, in a frame, materials (match sticks, pipe cleaners) and paintings. Autumn 2: Once Upon a Time Outcome: Celebratory Art Children to create a range of decorations for a variety of celebrations e.g. Remembrance Day, Christmas etc Children will learn how to use a range of techniques including printing, painting, chalk. DT LINK | Spring 1: DT LINK Spring 2: Ready, Steady Grow Famous Artist: Vincent Van Gogh Outcome: Sunflower painting Children to look at sunflower paintings from Vincent Van Gogh. Sunflower painting on the National Gallery. Focus on the different effects on the background and the thickness of the strokes on the sunflowers. Children will learn about the artist and talk about the paintings and colours used in the sunflowers. Learning about mixing colours and the use of brushes to create different effects. | Summer 1 – DT LINK Summer 2: All creatures great and small Outcome: Observational Drawings of animals Children to learn about different types of animals. Children to learn how to use colours for a particular purpose. Talk about the shapes on animals. Children to think about the size of their drawings. When painting children to learn how to mix colours to create new colours. | Autumn 1- Marvellous Me Famous Artist: Pablo Picasso Outcome: Self- portraits Children will learn how to use pencils, pastels and chalks to create lines of different thickness in drawings: Children will learn about line drawing self-portraits by looking at a range of artists and learn the process of how to draw a self- portrait – linked to their Marvellous Me topic. They will focus on an artist's self-portrait work and discuss it, talking about the details used and asking questions about it. e.g. Picasso. Children will use techniques to develop their art skills using chalks, oil pastels and block paints. Autumn 2- Once Upon a Time Famous Artist: Todd Lockwood Outcome: Pencil art to create pictures of characters | Spring 1 – On the Go Famous Artist: John Dyer Outcome: Seaside paintings Children will explore using a range of artwork to create paintings e.g. sea life pictures, seaside landscapes, pictures of local seaside towns. Children will learn how to mix primary colours to make all of the secondary colours to make all of the secondary colours. They will learn how to create tints with paint by adding white and know how to create tones by adding black. Look at artwork from artists related to the seaside including John Dyer. Spring 2 – Ready, Steady Grow Famous artist: Thomas Cole. Outcome: Nature pictures Children to learn about tones and explore colour mixing to create different tones. Adding white to | Summer 1- Near and Far Famous Artist: Andy Goldsworthy Outcome: Transient Art Linked to a visit to the beach the children will learn about transient art and create their own transient art using a range of natural materials and objects exploring pattern and design. They will look at the work of an artist (e.g. Andy Goldsworthy) and learn how to use their inquiry skills to find out more about the artwork. Children will look at others, including famous artists, artwork, describing what they can see and giving an opinion about the work of the focus artist. Summer 2 – DT LINK | Autumn 1- Homes and Habitats Famous Artist: Barbara Hepworth Outcome: Sculptures Children are to make sculptures relating to their topic. E.g., sculptures to put in their garden. Linking to the topic story. Look at Tate Museum in St Ives via website and think about how sculptures are made. Look at the artist's work and discuss which ones we like/dislike, giving our own opinions. children will look at artwork, describing what they can see and ask questions about the artist's work. Autumn 2- Bright Lights, Big City Outcome: Silhouette Pictures Children to look at examples of silhouettes and create their own. Children to practise these into their | Spring 1 – DT Link Spring 2- You're Banana's! Famous Artist: Henry Rousseau Outcome: Observational drawings Children will look at plants and the gardens of the Eden Project and discuss. Children to learn about three different graded pencils, charcoal, pastels and crayon and how they can be used to create different effects. Children will use the taught techniques to create their own nature artwork through observational drawings. They will focus on features and fine details. Children will use a range of effects using an IT program to create part of their work (Paint 3D). | Summer 1 – Superheroes Famous Artist: Lichtenstein Outcome: Pop art/comic art Stand alone, WOW day activity. Children to make pop art throughout the day drawing upon previous knowledge of sketching, printing, drawing and use of colour. Children will look at tone and pencil width to create depth in their drawings to make their pictures stand out. They will draw upon previous knowledge of colour mixing to create secondary colours to use in their pop art. Summer 2 – DT LINK |

<u>Art</u> <u>Progression of Knowledge and Skills</u>

| | crepe paper, card, felts, clay etc | | effects, including shading to add tone and texture to drawings. Children will also learn about how ICT can be used to create pictures and create their own drawings using ICT. | |
|---------------------------------------|--|---|--|---|
| Impact/key assessment criteria: | Through the above topics, knowledge and skills an EYFS artist will: Talk about what they have made (Add children's voice of Tapestry) Give reasons for their choices Name colours and shades of colours | Through the above topics, knowledge and skills an EYFS artist will: Talk about what they have made (Add children's voice of Tapestry) Give reasons for their choices Name colours and shades of colours Explore colour mixing | Through the above topics, knowledge and skills a Year 1 artist will: know how to show how people feel in paintings and drawings Know how to create moods in artwork Know how to use pencils to create lines of different thickness in drawings Name the primary and secondary colours Know how to create a repeating pattern in print Know how to use IT to create a picture Describe what they can see and give an opinion about the work of an artist Ask questions about a piece of art | Through the will: - Cl dr - - Kr - Su - Su - Kr |

- Choose and use three different grades of pencil when drawing
- Know how to use charcoal, pencil and pastel to create art
- Know how to use a viewfinder to focus on a specific part of an artefact before drawing it
- Know how to mix paint to create all the secondary colours
- Know how to create brown with paint
- Know how to create tints with paint by adding white
- Know how to create tones with paint by adding black Know how to create a printed piece of art by pressing,
- rolling, rubbing and stamping
- Know how to make a clay sculpture
- Know how to join materials onto clay or join clay together
- Know how to use different effects within an IT paint package
- Suggest how artists have used colour, pattern and shape
- Know how to create a piece of art in response to the work of another artist
