

Year 2 Homework Grid

Each week select an activity to complete with your child, alongside this your child will receive weekly spellings and maths homework. Please share the fun you have together on Tapestry.

Outdoor activities

Find some natural resources like conkers, pebbles, leaves. Make groups of 2's, 3's, 5's and 10's to practise counting. Video yourself counting. Share your outdoor maths on Tapestry.

History

What did you do at the weekend?
Write a diary entry about what you did at the weekend. Draw pictures, add details of who you saw, where you went and how you felt.

Reading Challenge

Go to the library and borrow a book that is set at the seaside. Take a photo or yourself reading in an interesting location of your choice.

Pudding Lane

Pretend you are a baker and bake your very own delicious treats.

Write the recipe in your homework book:

Draw a picture.

List the ingredients.

Write step by step instructions.

Fireworks

Write an acrostic poem about fireworks. Here is an example to help you.

Bang goes the rocket.

Ahh gasps the crowd.

Near and far,

Glitter fills the sky.

Music

Make a music video on Tapestry.

Sing your favourite song.

Use real or pretend instruments in your home e.g. pots and pans, tubs, boxes. You could even make an instrument or shaker if you wanted!
