	Head, shoulders, knees	Mary had a little lamb	Here we go round the	Round and Round the	Ring a ring of roses	Tommy Thumb
	and toes.		mulberry bush	Garden		
Personal, Social and Emotional Development	Play with increasing confidence on their own and with other children, because they know their key person is nearby and available. Welcome children back and re- settle after half term break. During carpet time and free play, talk to the children about what they have been doing at home. Use Tapestry pictures to support this.	Play with increasing confidence on their own and with others, knowing their key person is nearby. Adults to model playing with a farmyard small resource and animals. Encourage children to continue playing when adults move away.	Play with increasing confidence on their own and with others, knowing their key person is nearby. Adults to initiate and model activities with children either on a 1-1 basis or in small groups. Adults to then gradually remove themselves from the activity, encouraging children to continue playing.	Feel confident when taken to new places with their key person. Take a trip to the school field and year 1 playgrounds. Encourage children to explore their area and say hello to any staff/pupils we see along the way.	Develop friendships with other children. Continue to support children in free flow activities and outside area to play together. Model friendly behaviours and conversations.	Feel confident when taken to new places with their key person. Children to adapt to new social situations by joining the school assembly for Easter Extravaganza.
Communication and Language	Understand simple instructions like "give to mummy" or "stop". Play games related to body parts. E.g. ask children to find their toes, touch their head, wiggle their bottoms. Activities with musical instruments. Provide instructions such as 'were going to shake the instrument' then sing shake and stop song. Continue with actions such as banging, clapping and stomping.	Watch someone's face as they talk. During activities, ensure adults use the child's name to fully get their attention before speaking. While sitting on the carpet, say children's names to get their attention before talking to them about something they have been doing during the session.	Recognise and point to objects if asked about them. During Carpet time, play simple games similar to eye spy. For example, tell the children we are going to look for paper/cars/trains, then go on a hunt together to see who can find the object first.	Reach or point to something they want while making sounds. Can become frustrated when they cant make themselves understood. When making Mother's day cards, give plenty of opportunities for children to choose. Offer different choices, encouraging them to choose by pointing or verbalising.	Understand frequently used words such as "bye bye", "no" and "all gone". Use simple, familiar phrasing when providing children with instructions. Provide babies, pushchairs, a bath and other related items in the home corner to encourage and model simple language, similar to what they would hearing during care routines at home.	Copy what adults do, taking turns in conversation and activities. Try to copy adult speech and lip movements. Introduce short circle time about Easter activities. Encourage turn- taking and conversational manners. Model talking about what the adults are doing over Easter then ask the children what they are doing.
Physical Development.	Build independently with a range of appropriate resources. Spend time modelling to the children how we use various types of construction resources. Practise building in different ways such as stacking or joining sideways.	Try a wider range of food with different tastes and textures. Make a fruit salad, encouraging children to help with cutting up the fruit. Encourage all children to try the different fruits.	Enjoy starting to kick, throw and catch balls. Initiate and invite children to join simple ball activities in the garden. When inside, encourage children to join in with ball rolling activities inside.	Fit themselves into tight spaces e.g. tunnels, dens and boxes and move around in them. Use dens, tents and tunnels in the garden to create cosy reading spaces. Encourage children to crawl in carefully.	Pass things from one hand to the other then let go or drop them. In small groups, pass objects around a circle. Start with bigger items such as ball pool balls/beanbags and get smaller throughout the activity. Celebrate when the item gets back to the beginning.	Enjoy starting to kick, throw and catch balls. Simple ball activities in the garden. Ball rolling activities inside. Ball skills during Healthy Movers.
Literacy	Enjoy sharing books with an adult. Introduce new children/remind children of expectations at story time. Allow children to choose the stories which are read each day. Introduce the story of 'Oh Dear'.	Pay attention and respond to the pictures or words. Ask children simple questions about the pictures in the stories we read. Choose stories with pictures that the children will be familiar with such as animal books. Keep the story 'Oh Dear'	Develop play around favourite stories using props. Provide children with puppets of the animals from the story 'oh dear'. Place these in the puppet show resource with the story.	Pay attention to stories and respond to the pictures or words. Introduce new story focus - Brown bear What do you see?	Ask questions about the book. Makes comments and shares their own ideas. Encourage discussion around the story by asking simple questions. Ensure the focus story is accessible to children throughout the sessions.	Repeat words and phrases from familiar stories. Repeat the repeated phrase from the story, encouraging children to join in.

Communication and Language	Use Tapestry pictures to support this. Understand simple instructions like "give to mummy" or "stop". Play games related to body parts. E.g. ask children to find their toes, touch their head, wiggle their bottoms. Activities with musical instruments.
