## Year 1 Homework- Autumn Term 2

Please try to complete one of the activities each week in addition to numbots and daily reading practise. You can share your homework on Tapestry as a video or photograph or write/stick it into your homework book- whatever is best suited to the task!

Healthy You! Try a new fruit or vegetable that you've never tried before.

Keep a sleep diary. Are you sleeping for at least 10 hours every night?

Learn to spell the following words:

then

come

some

have

you

your Please note, we will not be testing the children's

spellings, but will be delighted to spot them correctly spelt in their writing!

Write the numbers 0,1,2,3,4,5,5,6,7,8,9,10 on separate cards.

Can you find a pair of numbers that makes a total of ten?

Collect 10 objects eg. Conkers, acorns, button, pasta pieces. Place them on a flat surface, hide some underneath a cloth.

How many are hidden? How do you know? Can you write the corresponding number sentence? Eq. 9+1=10

Practise balancing along a skipping rope on the floor or low wall/ pavement edge, chalk drawn on the patio. Remember to be safe!

Try moving like different animals, add a video to Tapestry so your friends can guess what you are! Do a drawing of one or some of the members of your family. Remember to include details such as eyelashes, eyebrows, finger nails, ears etc. Add colour if you'd like to. You could use pens, pencils, paints or even create a collage using different types of paper or pictures from a magazine. favourites too

Make up your own story and tell one of your family members. Who are the characters? Where does the story happen? How does it start? What is the twist/problem? How is it resolved? I hope everyone lives happily ever after!

Ask your parents and parents about what life was like when they were young. What clothes did they wear? What were their favourite toys? What was technology like?

What is your favourite bedtime story?

Write a book review? What is your favourite part? What characters are in the story? Why do you like it?
